DISPOSABLE BED COVER & SHEET

BED SHEET

Bed covers are ideal for any type of medical table, stretcher or patient bed. This includes hospital bed mattress cover for ambulance stretchers through to hospitality linens. They can be used in patient rooms in hospitals, clinics, or patient care facilities.

DETAILS

Fabric: SS,SMS
Weight: 35-60 GSM
Color: White/Green/Blue

BED COVER

Made of non-woven fabric, disposable bed cover can reduce the risk of cross-infection effectively. Bed cover is soft, economic, lightweight, and breathable. Bed covers are also equipped with elastic bands on the two sides which is more convenient to use, and offer more protection. It is one of the best choices for patients' health in medical facilities.

About Reddax

As Reddax Medikal & Textile, we specialize in the design, production, and distribution of high-quality disposable medical protective products manufactured in Turkey.

With our advanced manufacturing infrastructure, expert team, and stringent hygiene standards, we offer a wide product portfolio including surgical gowns, protective coveralls, masks, bonnets, overshoes, and medical drapes / sheets — all backed by international quality certifications.

Our mission is to develop reliable solutions that protect healthcare professionals, patients, and the public from risks, operating under the principles of innovation, quality, and sustainability.

Our vision is to be recognized globally as a brand that is always innovative, customer-oriented, and environmentally responsible.

Throughout our operations, we never compromise on quality. Our CE and ISO certified products ensure high performance and trust.

We aim to grow together with our valued business partners and to establish long-term relationships based on trust and collaboration.
